Dear Parents/Guardians,

In an effort to keep you informed, please read the very important information stated below that pertains to your child.

All U. S. high schools across the nation are required to provide a directory of all students in 11<sup>th</sup> and 12<sup>th</sup> grade to military recruiters under a provision of the No Child Left Behind Act, which was enacted in 2001.

Parents must sign a form to keep their child off the directory list we must provide to the military. Please sign the form below if you do not want your child’s information to be published in the directory provided to recruiters of the armed forces.

Sincerely,  
 Guidance Department
