

Rocky Point
UNION FREE SCHOOL DISTRICT

2017-2018 STEM Exposition

Wednesday, November 8, 2017
Rocky Point High School
6:00pm-8:00pm

STEM organizations will showcase STEM technologies and share information about STEM opportunities beyond the classroom.

Invited guest speakers will deliver presentations about their research and host question and answer sessions.

Attendees can participate in STEM challenges! Can you build the tallest tower? Will you construct the strongest bridge? Come find out!
