

The Rocky Point High School Veterans Wall of Honor

The Rocky Point High School History Honors Society and History Club will be organizing an effort to create a “Veterans Wall of Honor.” This project will recognize all of those graduates from this district that has served within every branch of the armed forces. It is the goal of these two clubs to create a long lasting memorial that will greatly respect the services of all of those military figures that were once students of this school district. Like that of other communities on Long Island, the students from this high school live in Rocky Point, Sound Beach and Miller Place, have made sacrifices within the military to aid this nation at home and abroad during every conflict.

Please bring this handout home and ask your parents if there were any family members and friends that were tied to this district that had served in the Armed Forces or continue to do so today. We are now in the process of collecting 5x7 pictures, brief summaries of all graduates that should include their years at Rocky Point High School, when they enlisted in the service, the type of job (MOS) that they held, and any experiences that they might like to share. Thank you for your time and consideration with this matter to help create this worthy patriotic endeavor.
