

**The Suffolk County  
Sheriff's Office Presents**

# **PROJECT LIFESAVER**

An Informational Seminar and Demonstration  
Designed for Caregivers of Individuals with  
Autism and Other Cognitive Impairments

**WEDNESDAY, JANUARY 24th**

**7:00 - 8:00 pm**

**Rocky Point Middle School Library**

**76 Rocky Point Yaphank Road, Rocky Point**

Project Lifesaver is wristband technology that can be worn by individuals with Autism, Alzheimer's and other cognitive impairments who have a tendency to wander. The device emits a signal that Deputy Sheriffs can track in the event the individual ever wanders off and gets lost. Join us for this special event to learn more about this lifesaving technology.

**Suffolk County Sheriff Errol Toulon**
