To the Parents/Guardians of Ninth Grade Students:

RE: Ninth Grade Orientation

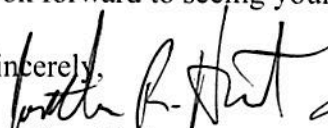

We would like to welcome your child to the high school and hope you are having a wonderful summer. We look forward to meeting the Class of 2023 and hope the students are returning to school with excitement and enthusiasm as they begin their high school experience.

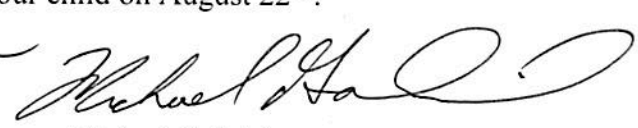

Orientation for incoming ninth grade students will be held on Thursday, August 22, 2019 from 8:30 a.m. to 11:00 a.m. We hope your child will be able to attend. The orientation will begin in the cafeteria with a bagel breakfast so students can socialize and re-connect with their classmates after the summer break. We then will move to the auditorium where the students will be introduced to the high school guidance counselors and review graduation requirements as well as our attendance policy. Next, students will have the opportunity to try out their lockers, walk the hallways and locate classrooms according to their individual schedules. Upon returning back to the auditorium, an overview of our Code of Conduct will be discussed. Additionally, we will make a presentation on the many different clubs, activities and sports that will be available to your son or daughter while attending the high school over the next four years. **Please remember to have your child bring a copy of his/her printed schedule, accessed from the parent portal, to the orientation program.** Schedules will be available on Thursday, August 15, 2019.

This event is for our ninth grade students; however, parents should be aware that a Ninth Grade Parent Orientation will take place at 6:30 p.m. on Thursday, September 26, 2019 prior to the start of Open School Night. Transportation will not be provided for the student orientation. Please drop your child at the front of the high school at 8:30 a.m. The program will conclude at 11:00 a.m.; therefore, please be sure your child has a ride home at that time.

With your support we will strive to provide a meaningful high school experience while developing a strong work ethic and healthy study habits for your child. We will encourage students to be accountable for their academic success and personal growth as they navigate their journey through high school. We look forward to seeing your child on August 22nd!

Sincerely,

Jonathan Hart
