Dear Parent/Guardian,

On Saturday, October 19, 2019 at 7:30 a.m., we will administer the Preliminary Scholastic Aptitude/National Merit Scholarship Qualification Test (PSAT) to all interested students. The examination will serve three purposes:

- to give tenth & eleventh-grade students experience in college testing
- to provide the counselor, parent/guardian and student with test scores that have a high correlation with the SAT
- to provide an opportunity for eleventh grade-students to compete for National Merit Scholarships

The cost to take the exam is \$20.00. Students who are either enrolled in or eligible to participate in the Federal Free or Reduced-Price Lunch Program will have their fee waived (please be sure to fill out the appropriate areas on the online registration form so that eligibility may be verified).

Students with disabilities must have their testing accommodations approved by SSD. If you have not been approved by 8/27/19, you may take the 2019 PSAT but will not receive testing accommodations. If you have questions, please contact Matthew Poole, Guidance Facilitator @ 631-849-7577.

This year registration will take place online only, beginning on Friday August 30, 2019 at 12:00 am and concluding on Monday, September 16, 2019 at 12 am. The registration process should take just a few minutes and may be completed from any computer with internet access. Online payment is available using a credit or debit card. If opting to pay by check or money order, please follow the directions on the "Payment Stub" printed at the time of registration. Checks/money orders (payable to Total Registration, LLC) should be mailed with the "Payment Stub" to:

Total Registration, LLC
PO Box 398
Eldorado Springs, CO 80025

There will be no in person registration or payment this year.

In order to register, please visit <https://user.totalregistration.net/PSAT/334887> and complete all of the required questions. Additionally, registration is not complete until a PDF version of the confirmation page provided at the end of the registration process is printed.

Please utilize <https://collegereadiness.collegeboard.org/psat-nmsqt-psat-10/practice> for detailed test information. Students must bring (2) #2 pencils and a calculator to the exam.

If you should have any further questions, please call the Guidance Office (744-1604 option #4).

Sincerely,
Matthew Poole
Guidance Facilitator
