

SCOPE Education Services

HS & MS VIRTUAL FALL ENRICHMENT FOR STUDENTS IN GRADES 7-12

COST: \$175 PER COURSE (20% sibling discount)

SCOPE offers amazing courses to prepare your secondary & high school students for the college application process and help prepare them for the SAT. Our virtual classes are designed to support college readiness with a clear focus on the skills and knowledge that matter most for college success. Back by popular demand are two student favorites – Paint Nite and Electrical Coding!

SAT PREP: Reading/Writing & Math Crash Courses 11-12th Grade

SCOPE, Long Island's leading education services provider, is pleased to provide a SAT & ACT Prep course that aligns with the current test format. Given in November and December of 2021, these tests support college readiness with a clear focus on the skills and knowledge that matter most for college success. Our program is research-based and specifically designed to help students gain a thorough knowledge and understanding of the test format. Including test tasking strategies, timed test practice and review, and tips for best results.

Reading/Writing 6:00-7:30pm & Math 7:30-9:00pm

November 6th Exam: Weeknight Evenings of Oct. 25, 26, 27, 28, Nov. 1, 2, 3 2021

December 4th Exam: Weeknight evenings of Nov. 22, 23, 24, 29, 30, Dec 1 & 2, 2021

College Application Process 11-12th Grade

Thursday Evenings 7:00pm; October 28th to December 23rd, 2021

At the end of this week-long course, students will have a greater understanding of how colleges review applications. The resume/activity sheet will be discussed and students will participate in mock college interviews. The Common Application, along with the supplement sections required by certain colleges, will also be scrutinized. In addition, students will ZOOM with college admissions counselors from different universities to learn how to complete their application to highlight their strengths!

College Essay Writing 11-12th Grade

Wednesday Evenings 7:00pm; November 3rd to December 22nd, 2021

Learn how to write your personal college admissions essay. You can improve your chances of being admitted to a college by writing a successful essay. Writing a well thought out essay shows the admissions committee who you are - more than just grades and test scores do. Writing your college essay can seem to be an overwhelming task. This course will help you come up with an idea for your essay and how to approach writing an effective one. The instructor will guide the students through the process, constantly editing their work.

Electrical Coding and Programming Grades 7-12

Monday Evenings at 7:00pm; November 1 - December 20, 2021

Join our master coding expert, Mr. Garcia, in an amazing course designed to teach students electrical coding and programming & engineering skills. Students will learn introductory and intermediate coding and thinking skills while enjoying creating electrical coding projects with their electrical coding boards. This course has a \$35 electrical material that must be ordered by families.

Paint Nite Grades 7-12

Tuesday Evenings at 7:00pm; November 2 - December 21, 2021

Students will come to this virtual course and paint a new masterpiece each day. Students will learn through step-by-step tutorial based instruction on how to create and paint their own canvas creations. This class is taught by an experienced and certified art instructor!
