Rocky Point Middle School Library

Would you like to better understand how to read your child's IEP?

The purpose of this workshop is to gain a foundational understanding of the Individualized Education Program (IEP) development process. We will go through every line on the IEP and explain what it means and how you can contribute. Participants will:

- Learn about the Committee on Special Education (CSE) process and the parent/guardian role in the development of the IEP
- Identify the different components of the IEP
- Discuss how to develop relationships and practices that build home-school collaboration that will support your child
- Participate in the transition planning process for students beginning the year they turn 15 (discussed in part 2)
- Discuss how your child can participate and contribute to the process in the development of their post-secondary goals (discussed in part 2)
